Dear Readers

We're presently trying to survive by doing deliveries for a local newspaper. However, the paper route doesn't come close to covering our expenses. I estimate that if things continue as they are, then our savings will be gone in less than a year. If we don't secure an adequate source of cash by that time, then we won't have a way to survive. We'll probably have to abandon or sell most of what we own. I'll be forced to terminate the *Frontiersman* and *The Pharos Connection*.

I'd appreciate any help that any of you can afford to give. If you feel that you can make a contribution or a pledge, I'd prefer that you send cash. If you'd rather send a check, then please make it payable to Jan Mecham. The address is 479 E. 700 N., Firth, Idaho 83236.

Sincerely,

Sam Aurelius Milam III
